

WHY RENEW YOUR ALEXANDRIA SUBSCRIPTION?

It's time to renew your subscription to Alexandria Library Automation! We're so glad to keep you on board and continue to work together to enhance the lives of readers and librarians.

There's a reason Alexandria has been trusted by libraries around the world for over 30 years, giving the power back to librarians and inspiring patrons of all ages.

Even if you don't have your own dedicated IT staff, Alexandria is designed to be a breeze to manage and maintain.

24/7 Customer Support

The only library software to provide:

- 24/7 live support for anyone in your organization
- Online resources and videos
- Message Center and email support
- Live database assessments and remote diagnostics

New Product Releases

Each Alexandria release brings:

- The latest Alexandria enhancements and refinements
- Exciting new features and increased performance
- Support for operating system updates and security
- Useful improvements based on your feedback

Your Library, Your Way.

With Alexandria, you have the power to:

- Engaging, intuitive interfaces for patrons of any level
- Select your own eBook vendors and library
- Run reports when it's convenient for you
- Multiple catalog set-up options
- and much more!

What Do Others Love About Alexandria?

"I've been using Alexandria Library Automation Software for almost 15 years. The software has many functions and options to personalize your libraries. The support staff is excellent and has always helped me until my problem was resolved. I totally recommend Alexandria Library!"

- K. Yeadon

"Someone is always there on the phone to help me! Can't say enough about how much I love this database program to help run my library."

- L. Kracht
