# Alexandria® Limitless Library Bundle

**Alexandria and our partners have teamed up to create a powerful platform that promotes library advocacy with bundled services that make your library the central hub of the learning experience.**

We're giving you a single-purchasing-source to streamline your procurement process, and opening up your library to **LIMITLESS Access, Engagement, Discoverability and Success!**

Sharing the common goals of innovating EdTech and facilitating the evolution of learning, we came together to each contribute a vital piece of the puzzle. Our Limitless Library Bundle gives you the powerful synergy of Alexandria, Gumdrop, Mitinet, and GG4L integrated together for one low price!
