Hardware Warranty

COMPanion Corporation's Scanners, Printers, Cash Drawers, and other hardware devices are warranted by COMPanion against defects in materials and workmanship for the specified period from the date of shipment by COMPanion to the end-user. During this warranty period, we, or our designated repair facility, will repair or replace (at our option) at no charge any device that proves to be defective, provided you return the device, shipping prepaid, to COMPanion, following the return guidelines below.

Your Standard Warranty Period: 1 Year

This warranty does not apply if the product has been damaged by accident or misuse or as the result of service or modification by other than COMPanion or our designated repair facility.

No other express warranty is given. The replacement of the device is your exclusive remedy. Any other implied warranty of merchantability or fitness is limited to the duration of this written warranty. Some states, provinces and countries do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

In no event shall COMPanion or its designated repair facility be liable for consequential damages. Some states, provinces, and countries do not allow for the exclusion or limitation of incidental or consequential damages, and so the above limitations or exclusions may not apply to you.

Return Guidelines:

Should your device fail to work during the period of this warranty, contact COMPanion Technical Support at 1-800-347-4942. Our staff will help resolve the issue or provide return instructions.

Should your device still fail to operate after a reasonable period of trouble-shooting, your COMPanion support technician will issue a Return Merchandise Authorization (RMA) number and provide information about how to properly return the device to COMPanion.
