# eBooks in Alexandria

With Alexandria's eBook integration options, your library can have instant access to thousands of eBooks and digital resources from industry-leading eBook distributors.  We make it easy for your patrons to find and access eBooks directly through Alexandria.

## Benefits of eBook integration

- Built-in authentication of patrons during eBook check-outs

- See and report real-time on which eBooks your patrons have checked out

- Minimize errors during inventory season

- Choose the vendors of your choice

## Online Services Integration

Alexandria offers this package so you have more resources to promote learning in your library.  Includes **all four** eBook vendors.

Expand your library's capabilities.  See how easy it can be to have a modern, engaging library.

## Vendor Options

OverDrive is the worldwide leader and full-service digital distributor of eBooks, audiobooks, music, and video. OverDrive materials show up right in Researcher for quick availability and linking.  Alexandria automatically imports new items after purchase.

MackinVIA is a complete electronic resource management system providing easy access to eBooks and educational databases.  With just one login, users can view, utilize, and manage all of their electronic resources, right within Alexandria. Alexandria automatically imports new items after purchase.

Alexandria proudly partners with Capstone Interactive Library, making it easier than ever before to add interactive eBooks to your library collection. Capstone Interactive Library eBooks provide text highlighting, audio support, smart search options, and educator support. Includes 24 free eBooks for your collection.

Patrons can easily distinguish and access Perma-eHub resources from Alexandria's Researcher interface and link to their website.
