Kiosk Text

Kiosk Preferences is where you will access and edit kiosk options, primarily messages and account lists.

In the Kiosk Text tab, you can custom defined messages that will display on the Attended and Self-Service kiosks at this facility.

Kiosk Text Account Announcements Account Lists

Kiosk Welcome Message
This welcome message shows in the Attended and Self-Service kiosks at your facility.

`<p>Welcome to our school.</p>`

Kiosk Announcement
This announcement shows in the Attended and Self-Service kiosks at your facility.

`<p style="font-size:18px">No Kiosk Announcements at this time.</p>
 <i> Update Announcements in the Kiosk Text preference.</i>`

Kiosk Can't Sign In
This notice shows in Self-Service kiosks at your facility when a visitor who is expired, not yet effective, or a status other than Active attempts to sign in.

Please check with the main office.

Kiosk Welcome Message

This text will display in the Attended and Self-Service kiosks at your facility. If no text is entered, the default message will read, *"Welcome to our school."*

✓ HTML is supported.

Kiosk Announcement

This text is displayed in the Attended and Self-Service kiosks at your facility. If nothing is entered, the default message will read, *"No Kiosk announcements at this time."*

✓ HTML is supported.

Kiosk Can't Sign In

This text will display in the event a visitor can't sign in because their account is not set to Active.

✗ HTML is *not* supported here.

Account Announcements

This is an editable field that will display in all the Attended and Self-Service kiosks for your entire account, alongside facility messages. You can customize the message with HTML.

The screenshot shows the 'Account Announcements' tab selected in the kiosk interface. The header includes 'Show All ACCOUNT' and 'Washington High School'. Below the tabs, the section is titled 'Account Announcement' and explains that these announcements will show in the Attended and Self-Service kiosks at every facility. A large, empty white rectangular box is provided for entering the announcement text.

Account Lists

Here you can view, add, delete and edit different types of information used throughout the system.

The screenshot shows the 'Account Lists' tab selected. It displays three columns of information:

- Ethnicities**: One entry per line. This list appears as a dropdown menu in Person Management. The list includes: African American, Asian, Caucasian, Creole, Hispanic, Native American, and Other.
- Staff Types**: One entry per line. Used for Staff Classification in Person Management. The list includes: Maintenance, Media Specialist, Office Staff, Student Teacher, Substitute, Teacher, Teacher's Aide, and Technology.
- Volunteer Types**: One entry per line. Used for Volunteer Classification in Person Management. The list includes: Business Partner, College Student, Grandparent, High School Student, Parent, PTA/PSO, and Public Official/Servant.

These lists are shown as drop-down menus in the [People](#) module. Enter each term on a separate line. The default lists are:
