Kiosk Text

Kiosk Preferences is where you will access and edit kiosk options, primarily messages and account lists.

In the Kiosk Text tab, you can custom defined messages that will display on the Attended and Self-Service kiosks at this facility.

Kiosk Welcome Message

This text will display in the Attended and Self-Service kiosks at your facility. If no text is entered, the default message will read, "*Welcome to our school.*"

✔ HTML is supported.

Kiosk Announcement

This text is displayed in the Attended and Self-Service kiosks at your facility. If nothing is entered, the default message will read, "*No Kiosk announcements at this time.*"

✔ HTML is supported.

Kiosk Can't Sign In

This text will display in the event a visitor can't sign in because their account is not set to Active.

✖ HTML is *not* supported here.

Account Announcements

This is an editable field that will display in all the Attended and Self-Service kiosks for your entire account, alongside facility messages. You can customize the message with HTML.

The screenshot shows the 'Account Announcements' section of a kiosk interface for Washington High School. At the top, there are tabs for 'Show All', 'ACCOUNT', 'Kiosk Text', 'Account Announcements' (which is selected), and 'Account Lists'. Below the tabs, the main content area is titled 'Account Announcement' and contains the text: 'Account Announcements will show in the Attended and Self-Service kiosks at every facility. Use this announcement space for general announcements.' Below this text is a large, empty white rectangular box for editing the announcement.

Account Lists

Here you can view, add, delete and edit different types of information used throughout the system.

The screenshot shows the 'Account Lists' section of the kiosk interface. It features three columns, each with a title, a description, and a list of items in a white box. The first column is titled 'Ethnicities' and describes it as a dropdown menu for Person Management, listing: African American, Asian, Caucasian, Creole, Hispanic, Native American, and Other. The second column is titled 'Staff Types' and describes it as a dropdown menu for Person Management, listing: Maintenance, Media Specialist, Office Staff, Student Teacher, Substitute, Teacher, Teacher's Aide, and Technology. The third column is titled 'Volunteer Types' and describes it as a dropdown menu for Person Management, listing: Business Partner, College Student, Grandparent, High School Student, Parent, PTA/PSO, and Public Official/Servant.

These lists are shown as drop-down menus in the [People](#) module. Enter each term on a separate line. The default lists are:

Ethnicities

- African American
- Asian
- Caucasian
- Creole
- Hispanic
- Native American
- Other

Staff Types

- Maintenance
- Media Specialist
- Office Staff
