About

Users can access the online Volunteer Application form from the [app picker](#) screen or directly from the URL in your [Volunteer Application](#) preferences.

Volunteer Applications are a two-step process: First, the applicant will enter their personal information and select the facilities at which they would like to volunteer. Then they'll choose from a list of activities based on the [Activities Management](#) settings for the facility or facilities they've chosen.

Once an application has been submitted, operators with the appropriate authority can accept (or reject) the prospective applicant. This can also be done automatically, depending on your [Volunteer Approval](#) preferences.

Want to stop accepting applications for the time being? The form can be turned off in your [Volunteer Application Preferences](#).

Language

Select the language for which you want to continue viewing the application. Operator-generated content, such as facilities, activities, and availability, will display in the language in which they were written.

The screenshot shows the 'KeepnTrack Demonstration - Volunteer Application' interface. At the top, there is a navigation bar with the following tabs: Language (selected), FCRA, Personal, Contact, Facilities, Activities, Availability, and Submit. The main content area has a light blue background and contains two large, rounded rectangular buttons. The top button is labeled 'Continue in English' with a white right-pointing triangle icon. The bottom button is labeled 'Continuar en Español' with a white right-pointing triangle icon. In the bottom left corner, the KeepnTrack logo is visible, consisting of a blue gear-like icon followed by the text 'KeepnTrack'.

FCRA

As part of your application, a background check will be run based on the information you provide. If you consent to this background check, choose the first option; if you deny consent, choose the bottom.

When an application is submitted, KeepnTrack will acknowledge the submission and display a default confirmation message. Depending on your Notifications preferences, you can append the “application received” notice with additional information pertaining to the current status of the application (e.g. Received or Approved). For example:

- If your preferences aren't configured to perform automatic criminal background/sex offender checks or the volunteer was rejected, KeepnTrack will append the default confirmation with the Received notification text.
- If automatic checks are enabled and no red flags are raised (i.e. the volunteer passes the checks), KeepnTrack will append the default confirmation with the Approved notification text.

Notice

Thank you for applying as a volunteer at KeepnTrack Demonstration. Your application form has been received.

Thank you for submitting an application. Once your application has been reviewed you will receive further communications from us.
