Essentials

Patrons

Select new patron defaults, set grade table preferences, and add Lexile values.

Textbooks

Select new item defaults, link imported items to specific policies, manage your catalog classification system, and control cover art options.

Circulation

Control displayed content, configure general circulation settings, customize receipts, and manage patron notice messages.

Advanced

Codes

Manage a list of operator-defined condition and damage codes.

Sounds

Configure the sounds that play when specific program events occur.

Setup

Configure some basic preferences when first setting up Textbook Tracker, such as email and terminology.

Addons

SIS Integration

Use Clever or GG4L to share database information among various applications.
