

# Creating a slideshow for spooky season—or any reason!

October 23, 2023

It's almost Halloween, and Miss Honey wants to highlight some of the best books for the season by making a slideshow. This is a great way to showcase books for any holidays or occasions. Here's how to do it!

To create a slideshow:

1. Go to [Builder > Slideshow](#)
2. Give your Slideshow a name and under the source of your slideshow select [Search String](#)
3. Enter ((smart::Halloween) && (medium::book))
4. Select your preferred Layout, Speed, and Transition
  - a. \*You can preview the slideshow by clicking **View**
5. Click **Save**
