

Help!—Workshops

October 14th, 2019

Having a hard time getting used to how Alexandria works? Wish you could get more help with things like running reports or customizing Researcher? Well, we have the perfect resource for you! Our training workshop videos provide in-depth information on all things Alexandria. And best of all—they're completely free!

Your Items and the Tools to Manage Them (1:13:33)

One workshop that's particularly helpful this time of year is our Items Workshop. Watch the video above to learn how to maintain a clean and searchable catalog by using Genre fields, cataloging series information consistently, and more! You can also look through our entire [workshop collection](#) for handy videos on many other topics.

Upcoming Workshop

[Sign up](#) for our Researcher Enhancements Workshop taking place on Wednesday, October 23rd from 12:00–1:00 PM (MST) / 2:00–3:00 PM (EST). By the end of the training, you'll know how to better use Researcher features like reservations, Browse, and "begins with" search. You don't want to miss out!
