

New Capstone titles?—Hooray!

May 4th, 2020

Yep, that's right. We have some new ebook titles for you! We're proud to partner with [Capstone](#), whose ebooks provide encouragement for all readers through useful tools like text highlighting, audio support, customizable book lists, and more.

Get 24 free ebooks by [downloading the MARC file and cover art](#) and [importing them into your Alexandria collection](#).

If you already have a Capstone account and want these books added, contact Capstone at 800-747-4992 to avoid any authentication issues.

Did you add the last set of free Capstone Interactive ebooks to your collection? You may have noticed some of those titles went out of print last year, so you'll probably want to remove them from your collection. Be assured this usually doesn't happen—if you purchase Capstone books, they will be maintained! In Alexandria, you can either [remove individual titles](#) in Items Management or use the [Remove Titles utility](#) to remove more than one at once.
