

Remote checkouts—all the resources

July 27th, 2020

As COVID-19 continues impacting communities, many libraries are changing their checkout procedures to limit physical contact. If you've been wondering how to do remote or hands-free checkouts with Alexandria, wonder no further! We have a new [Remote Checkouts](#) article with all the information and resources you'll need to change your checkout process.

What does it cover? Preferences you'll need to alter, reports and notices you can use, using Self-Service for hands-free checkouts, how to check out textbooks, and more. (Psst... also take a look at our free [How to Place a Hold in Researcher](#) sheet that can be emailed to or printed for your patrons.)

As always, our 24/7 Customer Support is here to help at 1-800-347-4942 or support@goalexandria.com as you get ready for the new school year. Please be patient as we're working with limited staff this year.

The new article and sheet will be most helpful to v7 users. Still on version 6? [Learn about switching to Alexandria 7!](#)
