Along with the reorganization, we've made [Patron Details](#) interactive! Say you want to renew an item or forgive a charge for the patron whose Details you're viewing. Simply click on that section's heading (i.e. "Items Out" or "Charge Summary") to be taken to the right place in Circulation. You can also click on a title to make it the Current Item.

Take a look at the [When are my books due?—Send Patron Details to everyone](#) tip to learn how to use the *Send Patron Details Email* report.

We'd again like to thank all of those who took our survey on Patron Details. Your insights were integral to its redesign! If you'd like to regularly give feedback on what's coming next in Alexandria, consider
