Account Introduction

Account Introduction

Generates informational slips for patrons with their login credentials, library use instructions, account restrictions, library policies, contact information, and other information the librarian wants to give patrons

Use(s)

Print these slips at the beginning of the school year for each patron to give them all the information they need to start using the library.

Account Status Summary

Patron Details Summary

Generates Patron Details for each selected patron (a full breakdown of accounts)

Before [20.12](#), this report was *Account Status Summary*.

[Patron Details](#) includes an account balance, payments, charges, credits, loaned items, lost items, overdues, holds, reservations, and reserved items.

Use(s)

Print this report for patrons and/or their parents regularly so they can remember which items they have, what's overdue and needs to be returned, which items are lost, how much they owe the library, etc. Use the [Send Patron Details Email report](#) if you want to email the report to patrons instead.

Card Expiring Notice Account Expiring Notice

Emails patrons whose accounts are expiring in the next 30 days

This report will only work if you have enabled account expiration dates (**Preferences > Patrons > Patron Rules > uncheck [Disable account expiration dates](#)**) and configured your [Email Preferences](#).

Patrons need a valid email address on their record to receive email notifications. Not sure who's missing an email? Run the [Patrons with No Email report](#) to get a list.

Patrons Missing Information

Patrons Missing Information

Generates a list of patrons without an email or picture on their record

Use(s)

- Run this report after [importing patron records](#) to see which patrons need to have a primary email address manually added.
- Run this report after [importing patron pictures](#) to see if any patrons were missed.
- If you use any email notice reports, run this report to get a list of who's missing a primary email address. Then you can contact those patrons and add an email. Otherwise, they won't receive notices.

Suspended Patrons

Suspended Patrons

Generates a list of patrons with a status of *Suspended* or letters for notifying patrons and parents of the suspension

Use(s)

If you can't charge fines but still want to encourage patrons to return items on time, [suspending them](#) and sending out these letters may act as an incentive.
