

Introducing... FAQs!

July 12th, 2021

Hello there! We're popping in with a mid-summer announcement... the Support Center officially has a [Frequently Asked Questions \(FAQs\)](#) page!

The image's data is missing.

Still working on inventory? Or are you getting ready to catalog? Take a look at the applicable sections on the new [FAQs](#) page.

The [Trending FAQs](#) section highlights the most common questions recently answered by Customer Support. We highly encourage you to check them out every now and then. Someone else may have had the same question you do!

And there you have it. We'll officially be back with more tips in August. In the meantime, we hope you enjoy the rest of your summer!

Still on version 6? [Learn about switching to Alexandria 7!](#)
