

Tutorials

 this page has been moved to <https://support.goalexandria.com/dashboard/#tutorials>

First-time users in Alexandria will see our Welcome to Alexandria onboarding screen, with all the info you need to get started.

Welcome to Alexandria

We're excited to have you join our family of users! Here are the basics to get you started.

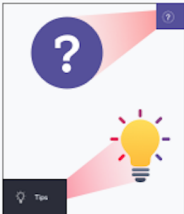

Navigation

Persistent side and top navigation and headings help you know where you are, always.

User Menu

The User Menu at the right of the topnav is a dropdown. Switch sites and log out here!

Tips & Help

Help is close at hand with Tips in the sidenav, and the Help dropdown menu in the topnav. Send us an email, run tutorials, and learn more about any feature in the Support Center.

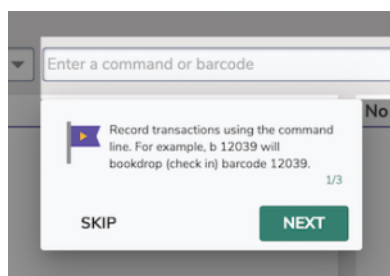

Get Started

Follow our guides in the Support Center to set up your library. You'll be running in no time!

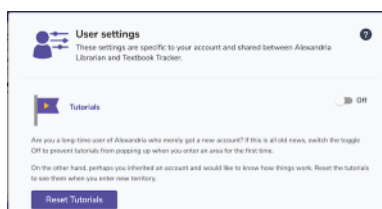

THANKS — I'M READY TO START!

REMIND ME NEXT TIME

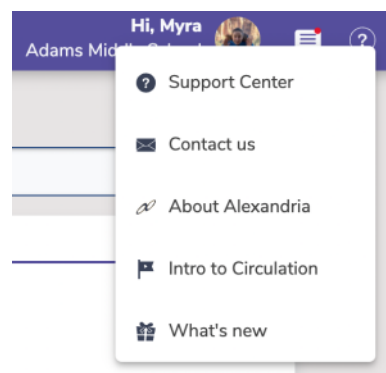

Alexandria's in-app tutorials help new users understand each area of the program. There are two types: *Intro to*, and *What's new*.

Step through a few beginning tips

Turn on/off automatic tutorials in User preferences

Initiate tutorials at any time from the Help  menu
