

# Preferences

Find new information on <https://support.keepntrack.com/preferences/>

Access your account and facility-specific settings and options.

Unknown macro: 'multiexcerpt-include-macro'

## Kiosk

Manage the messages displayed on your kiosks.

## Alerts

Enter the email addresses and phone numbers of those who should be notified when a potential sex offender attempts to log in at your facility.

## Enhanced Security

Choose if a birthdate should be required to sign in and if kiosk logins should be limited to specific IP addresses.

## Volunteer Approval

Choose how Volunteer Applications are handled and processed.

## Volunteer Application

Customize various options for the Volunteer Application process.

## Volunteer Notifications

Set up how to be notified when applications have been received, approved, rejected, and are awaiting review.
