Change Due Date

Change Due Date

Changes the due date of checked out items to the specified date

The due date is changed without regard to loan periods, policies, or closed dates.

Use(s)

Run this utility if there's a snow day or other unexpected library closure and you need to adjust due dates so patrons aren't penalized.

Selections

SelectionsOptions

Change the due date to the date specified under the Options tab for (without regard to closed days or other calendar or policy settings):

Copies at SiteAMS - Adams Middle School

Copies with a Policy ofAny Policy

Recompute Due Dates

Recompute Due Dates

Recomputes check out periods and fines for items that are already checked out

Use(s)

Run this utility after changing title or patron policies that affect fine rates, check out periods, in-stock hold lengths, and more. You may also need to run this utility after running the [Change Patron Policy](#), [Change Title Policy](#), or [Change Copy Policy](#) utilities.

Selections

Selections

Recompute all due dates for patrons and copies at the current site per the current policy settings and exceptions.

Create Saved Utility

Run

Remove Circulation Statistics

Remove Circulation Statistics

Removes all Circulation statistics older than the specified date

This action is not normally required. Only run this utility if you are certain those statistics are no longer useful for your reporting.

Use(s)

- Run this utility if you have completely changed your policies and old statistics don't match your new standards.
- If you move from a [Centralized Catalog](#) to separate catalogs, run this utility to get rid of old records.

Selections

SelectionsOptions

Remove circulation statistics older than the date set in the Options tab. WARNING: This is not normally required. Only run this utility if you are certain those statistics are no longer useful for your reporting.

Change Due Date

Renew Items

Initiate a renewal (with respect to policy and preference settings)

The utility finds all checked-out items (based on the selections), and renews them according to loan period of the policy.

Use(s)

Run this utility if there's a snow day or other unexpected library closure and you need to renew items so patrons/teachers aren't penalized.

Automatically renew items checked out by teachers, by selecting the patron policy.

To set up automatic renewals for any of your patrons, you run this utility with **Items Due On** set as a relative date for 'today,' and run the utility every day.
