

Searching by Subject

November 21, 2022

November is Native American Heritage month. Want to easily look up books about it, or any particular subject for a themed display or class project? You can search by Subject in Alexandria.

The screenshot shows the Alexandria search interface. A dropdown menu is open, displaying various search filters. The 'Subject' filter is selected and highlighted. Other filters visible include ISBN/LCCN, Publisher, Publication Year, Awards Note, Bibliographic Term, Curriculum Term, Interest Term, Genre, Medium, Series, No Copies, No Cover Art, and Copy Notes. The background shows the main search form with fields for Title, Author, Title/Copy Call Number, Barcode, Lexile, and Copies Added, along with buttons for 'Cancel' and 'Search'.

In the current Alexandria, go to Items, select search, then the ISBN/LCCN drop-down, then select Subject.

The screenshot shows the Alexandria Advanced Search interface. The 'Publication' section is expanded, showing various search filters. The 'Subject' filter is selected and highlighted. Other filters visible include ISBN/LCCN, Publisher, Publication Year, Medium, Series, and Genre. The background shows the main search form with fields for Title, Author, Title/Copy Call Number, Barcode, Lexile, and Copies Added, along with buttons for 'Cancel' and 'Search'.
