

Audiobooks Only, Please!

Tip for: 09.19.16

Some people like to listen to [audiobooks](#) more than reading—for a long commute, or on a hike, or just because audiobooks can have sound effects. Is there a way your patrons can quickly find the audiobooks in your collection?

In both version 7 and version 6, the Alexandria Researcher has Medium filters you can set either before you search, or after you search.

v7 pre-search filter

v7 post-search filter

v6 pre-search filter

v6 post-search filter

Note that you can clean up your Mediums using Authority Control!
