ⓘ This page has been moved to https://support.goalexandria.com/preferences/services/

These preferences allow you to access optional third-party software components and add-ons for Alexandria; some require separate licensing and registration. Many of these time-saving features are conveniently integrated into Alexandria. Please contact COMPanion at (800) 347-6439 for information about enhancing Alexandria with additional products and third-party services.

Select one of our colleagues from the Services section on the left-hand side of the window; this allows you to access feature-specific configuration options.

See also Alexandria Add-ons.

Services

Axis 360

This integration gives your patrons access to the eBook world while allowing you to maintain control of those resources.

Capstone Interactive

Capstone Interactive Library features over 2,000 eBook titles with unlimited user access.

Capstone PebbleGo

Capstone PebbleGo databases feature expertly-leveled text and navigation specifically designed for your beginning researchers.

MackinVIA

MackinVIA is your one-stop portal for educational eBooks and online databases.

OverDrive

OverDrive offers digital media solutions for distribution of premium content over global networks.

Perma-eHub

Perma-eHub manages all of your eBook licenses from a central location as if they existed in a single library.

Third-Party Integration

Baker & Taylor

Baker & Taylor is a leading supplier of books, multimedia, and digital information services for libraries.

BestMARC

BestMARC (powered by Mitinet) sets the standard in metadata management. Virtual cataloging offers quick and convenient ways to analyze, enhance and standardize your MARC data.

Bound To Stay Bound

Bound To Stay Bound Books specializes in providing your library with high-quality children's books, media products, and related services.

Capstone Publishers

Capstone is a publisher focusing on education; children's books, picture books, interactive books, audio books, literacy programs, and digital media.

DirectMARC

Order books from Gumdrop or any MCS vendor and you can skip that part where you manually imported the MARC files—DirectMARC will send the records to Alexandria automatically!

Gumdrop Books

Gumdrop Books is a major international distributor of top educational materials to the education and library communities from Pre-K through college level.

Google SSO

Looking for a Single-Sign-On solution? Alexandria now offers Google SSO! Google SSO is perfect for schools and districts already using Google.

Mackin

Mackin's integrated web-based collection management tool can review your catalog and determine what should be replaced and reordered.

netTrekker

netTrekker provides high-quality, standards-aligned learning resources for students in K-12 grade levels and subject areas.

NoveList

NoveList allows patrons to discover reading recommendations, similar authors, and series information from within your catalog.

Perma-Bound

Perma-Bound provides high-quality materials for long-lasting general circulation, supports learning, enhances your reading experience, and fosters a love of reading and libraries.

SAFARI Montage

SAFARI Montage seamlessly enhances search results with thousands of clips form reputable publishers; streams educational videos, on-demand, into classrooms.

Sneak Peek

Sneak Peek is a title enhancement resource, allowing patrons to enjoy title reviews, summaries and cover art.

Textbook Tracker

Although it's not listed in the Extras preference, Textbook Tracker is another valuable add-on. Learn about the data-sharing benefits of using Alexandria Librarian and Textbook Tracker together!
